RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Honorable Commissioner of Patents
Washington D.C. 20231
Sir:

In response to the Notification of Defective Response dated November 22, 2002, attached herewith please find a combined declaration/power of attorney executed by inventor BARENHOLZ for the above-identified application.

The only defect in the earlier filed combined declaration and power of attorney was the absence of the citizenship of inventor BARENHOLZ. This citizenship appears on the attached executed document. Thus, the two (2) declaration together provide everything required.

It is respectfully requested that the attached document be approved and entered into the record of the above-identified application, as a full and complete response.
